Tel Aviv University

City Center  
Research Center for Cities and Urbanism  
Tel Aviv University

City Center, Tel Aviv university research center for cities and urbanism,  
in collaboration with the S. Daniel Abraham Center for international and regional studies,  
are inviting you to join the second season of the international series under the title of:

## Comparative Urbanism | the Local Dimensions of Cities

Upcoming lecture

# The many facets of segregation: Rio de Janeiro

Vinicius M. Netto | University of Porto & Fluminense Federal University

November 8, 17:00 IL time via Zoom

The lecture series aims to explore the universalizing and particularizing tendencies in contemporary cities. That is, the glocalized process of urbanization in which facing globalization, cities in different parts of the world take different forms and structures reflecting their local cultures, traditions and histories
