

CALL FOR PAPERS AND PRESENTATIONS

SAE Connected and Automated Vehicle Conference Israel

January 16-17, 2019 | Tel Aviv University, Tel Aviv, Israel

logtel-events.com/icav/

SAE International is coming to Israel! The inaugural Connected and Automated Vehicle Conference focuses on connected vehicle and automated operations technologies to solve critical problems and propel the automotive industry forward. We invite experts, entrepreneurs, researchers and students to address the latest in vehicle connectivity, autonomous operations, smart transportation, and other key technologies and business innovation that are shaping the future of the mobility industry.

Abstract Submission Period: September 16 – November 1, 2018

Topics Under Consideration

We seek papers on any of the broad range of connected and automated vehicle topics. Below are some examples; feel free to submit an abstract on another relevant topic.

- Active safety systems and ADAS
- Always-connected drivers and passengers
- Artificial intelligence
- Automated driving and navigation systems
- Cybersecurity and data privacy
- Communication, electromagnetics, and antennas
- Electronics, software, and model-based design
- Human factors
- Public transit optimization
- Smart energy management
- Smart mobility
- Smart public transportation
- Telematics
- Testing and simulation
- V2V/V2I/V2X topics

Benefits of Publishing a Paper with SAE

- Get published by SAE, a global 128,000-member strong professional organization
- Expand your professional experience and influence by demonstrating knowledge and expertise to mobility practitioners throughout the world.
- Connect with mobility industry experts and influencers
- Take an active role in developing mobility technology and business models and help shape the future of mobility.
- Your technical paper could be selected for SAE Journals: a collection of our best technical papers in online and print issues throughout the year, increasing eligibility of inclusion into scientific indexes.
- Receive a complimentary event registration.

How to Submit an Abstract

Abstracts (250-300 words) must be submitted online using this link bit.ly/SAE-ICAV. The following information will be required during the online submission process:

- Tentative title
- A short summary that states the objective of the paper/presentation
- Names and contact information of the author and co-authors

Papers must be original and not previously published. If accepted for publication, author(s) will not release their paper for publication through other media.

Upon submission, you will receive an automatic reply with your paper offer number. If you do not receive a paper offer number at that point, please retry on-line submission or contact nori.fought@sae.org.

Key Dates

- Portal for submission of abstracts opens September 16, 2018
- Abstract submission period: September 16 – November 1, 2018
- Review-ready manuscripts due to session organizers November 18, 2018
- Final Manuscripts and copyright assignment due to SAE January 4, 2019

FAQs

What if I only want to give a presentation and not publish a paper?

You still need to go through the abstract submission process and identify your proposal as 'oral only'

Is there a fee to attend and present at the conference?

If your paper is accepted, your admission fee will be waived.

What is the conference's language?

All presentations will be given in English.

How long is each presentation?

Plan to present for 25 minutes and allow 10 minutes for audience questions.

How does the approval process work? How long does it take?

Your abstract submission will be reviewed and approved by one of the conference organizers. This usually takes just a couple of days. Your manuscript draft will be reviewed by subject matter experts from SAE's volunteer pool. This may take some time, but you will get their comments and suggestions in time to complete and submit the final manuscript.

For more information and FAQs, please go to the FAQs session here logtel-events.com/icav/index.html.

Important Information

- Because of a limited number of speaking slots, acceptance of manuscript for publishing does not guarantee that the author will be given a speaking slot.
- Presentations will be assigned based upon topic applicability and the number of available speaking slots.

AUTHOR RESOURCES
