As part of the Smart Mobility Summit:
the Institute for Innovation in Transportation &
Shlomo Shmeltzer Institute for Smart Transportation
at Tel Aviv University
cordially invite you to attend a symposium on:

Mobility as a Service (MaaS) **at the Academia-Industry-Government Junction**

Save the date

29th October 2018, 10:00-12:30 Habima Theater, Tel Aviv
[To register and for further details](#)

How do academia, industry and government engage with the MaaS concept and how can they work together to share knowledge and support implementation?

Speakers and discussants from top Israeli universities, start-ups, industry analysts and central and local government.

Keynote: Assaf Biderman Founder & CEO, Superpedestrian & Associate Director, MIT SENSEable City Laboratory
